

Concurso Internacional de Boas Práticas Programa Bandeira Azul 2021

Tema: BIODIVERSIDADE

Please submit to the international jury 1 to 3 examples of blue flag best practices related to the topic of **Biodiversity**. These best practices are key for the network as they are shared on social media channels, used at various conferences, and enrich our best Practices database available to the public on our website: <https://www.blueflag.global/best-practices>

Rules:

- ✓ The best practice(s) should not be older than four years (2017 included);
- ✓ Best practices that have not yet been implemented and are planned for the upcoming season cannot participate.
- ✓ The best practice(s) should describe the type of issue it concerns and the way it was dealt with. Positive solutions, measurements and replicability should also be shown;
- ✓ At least 2 pictures per Best Practice should be attached. Best Practices without pictures will not be considered;
- ✓ Short videos with English subtitles or description are strongly encouraged;
- ✓ People's testimonies are welcome.

Best Practices Recognition 2021

- Of all submitted best practices, the International Jury will select a top 3 selection of Best Practices, which will receive a certificate and all submitted Best Practices will be promoted on social media.
- The International Jury will take into consideration the reproducibility of the best practice, its accessibility as well as its impact.

Notas:

- *As boas práticas a concurso devem ser enviadas, por email, para a Coordenação Nacional do Programa Bandeira Azul, com a informação solicitada acima, em Inglês.*
- *15 de fevereiro é a data limite para submeter boas práticas.*
